

# Learning Xhosa

## Who We Are

Africa Unite (AU) is a human rights and youth empowerment organization that works with citizens, refugees and migrants to prevent conflicts, enhance social cohesion and promote socio-economic development. For further information visit [www.africaunite.org.za](http://www.africaunite.org.za)

**Feel more African than before**

**Learn Xhosa and its culture**

South Africa is the Rainbow Nation a title that captures the country's cultural and ethnic diversity.

Isixhosa, one of the country's languages, is classified as a member of the Southeastern or Nguni group of the Bantu language group. The Bantu languages belong to the Benue-Congo subgroup of the Niger-Congo language family.

Isixhosa is a beautiful language largely spoken in the Eastern and Western part of South Africa.

However, Isixhosa is considered to be one of the most difficult languages to learn because of the clicks and noun classes that influence the formulation of all sentences.

**A Classroom: 5 to 10 people maximum**

**Only R 960 Month**

*Special arrangements can be made for Private and Corporate classes*

**Ndiya Bulela!**

His Excellency **Nelson Mandela** once said, "If you talk to a man in a language he understands, that goes to his head. If you talk to him in his language that goes to his heart."
